

One Shot Air Freshener Concentrate

9XS

Description

One Shot Air Freshener is a very pleasant floral fragrance red liquid which when sprayed into the air removes all objectionable and unwanted odours.

Features and Benefits

- Formulated for use by the professional housekeeper to mask objectionable odours arising from tobacco smoke, left over food and spilt drinks.
- The product contains unique compounds which block out residue odours and allow only the long lasting fresh floral fragrance of One Shot Air Freshener to be noticed.
- Air Freshener leaves a welcoming appeal to all new visitors.

Use instructions

Dispense 20ml of One Shot Air Freshener in a 500ml trigger spray bottle filled with water to the indicated level. Diluted solutions should be discarded after 7 days.

Spray into the four corners of the room.

Care should be taken not to let the fine mist produced accumulate on highly polished wood surfaces.

Do not spray Air Freshener near naked flames.

Safe handling and Storage

See visual information on right. Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet. Store in original container. Avoid extremes of temperature.
