

Glass & Stainless Steel Cleaner Concentrate

6X

Description

A glass and stainless steel cleaner concentrate available in One Shot or EazyShot packaging.

Features and Benefits

- Suitable for all hard surfaces including windows, mirrors, windscreens, VDU's, ceramic tiles, chrome, porcelain, vending machines, showcases and exhibitions stands.
- Dries quickly without streaking
- Easy spray-on, wipe-off action
- Rapidly removes oily soils and finger-marks
- Perfume free non tainting formulation
- Available in EazyShot packaging (3x1L) that requires no dispenser
- Also available in One Shot form (2x2L) used through Zenith One Shot dispensers

Use instructions

Dispense 20ml of Glass & Stainless Steel Cleaner Concentrate into a 500ml trigger spray bottle filled with water to the indicated level. Diluted solutions should be discarded after 7 days.

Spray a small quantity onto a soft, lint-free cloth/paper towel and wipe the surface clean.

Buff with a dry cloth/paper towel for extra shine.

Safe handling and Storage

See visual information to right.

Full guidance on the handling and safe use of the product can be obtained from the Safety Data Sheet.

Store in original container.

Avoid extremes of temperature.
